

ACT HEALTH – INTEGRATED FITOUT

Client: Quintessential Equity & ACT Health

Value: \$11 Million

Completion: 2016

change^{pm} were engaged by Quintessential Equity and ACT Health to provide Design and Project Management services to co-locate and consolidate the ACT Department of Health into an existing modern and refurbished building at 2-6 Bowes Street in Woden, ACT.

change^{pm} managed all aspects of this integrated 11,000m² turnkey project including:

- Project scoping
- Design management
- Value-management
- Integrated delivery advice
- All procurement activities for design and construct
- Contract establishment and management
- Project delivery, controls and reporting
- Project Management during Construction
- Commissioning and Handover

change^{pm} utilised their extensive experience to deliver ACT Health's new accommodation ahead of time and under budget. This refurbishment project exceeded expectations with respect to building NABERS.
