

SAPPHIRE KINGSTON FORESHORE

Client: Keggins

Value: \$55 Million

Completion: 2020

change^{pm} were engaged directly by Keggins for Project Management and Superintendent Services for the Sapphire Kingston Foreshore development.

change^{pm} worked directly to the client and acted as the key point of contact for all seven external engagements.

Comprising of 79 luxury apartments and spanning over six levels, Sapphire successfully elevates the high-end residential offerings in both the Kingston and wider Canberra market.

change^{pm} provided the following services:

- Design management
- Extensive value identification/management
- Project feasibility advice
- Procurement
- Contract establishment and management
- Project delivery, controls and reporting
- Commissioning and handover

change^{pm} successfully delivered the Sapphire Project achieving superior quality and design outcomes whilst meeting time and cost expectations
